TURN FOOTAGE INTO CINEMA

Learn professional post-production through a focused 6-month weekend program designed for aspiring editors and colourists.

Work with original feature-film rushes, understand professional post-production workflows, and develop practical skills through hands-on editing and Digital Intermediate training.

From assembling scenes and shaping performances to colour correction, creative grading, and final mastering, the program takes you through the essential stages of professional film post-production.

Learn. Practice. Edit. Grade. Finish.

LEARN FROM A NATIONAL AWARD WINNING EDITOR

A portrait of Raja Muhammed, a man with a beard and mustache, wearing a dark suit and white shirt. He is standing in front of a large video wall displaying film editing software. The wall has multiple panels showing different scenes, including a man with a bull and a close-up of a man's face. To the right, a golden award statue is visible on a shelf.

Raja Muhammed

NATIONAL AWARD WINNER
